

*Cool Science is a volunteer-based nonprofit dedicated to promoting a deeper understanding of the wonders of science through exposure, inspiration and engagement.*

### How cool is Cool Science?

*"I liked doing the science by myself"*  
– 2nd Grader

*"I wish Science Day was every day"*  
– 3rd Grader

( DAY OF SCIENCE )

*"Knowledgeable science combined with dynamic presentation methods! Good job!"* – Parent

( COOL SCIENCE CARNIVAL AT UCCS )

*"This was a cool way to get us interested in science and crime investigations.*

*I really felt like an investigator! Cool Science Rocks!"* – 7th Grader

( GIRL SCOUT WORKSHOP )

*"I loved your class and am jumping out of my skin in anticipation of being able to do the experiments with my kids!"* – Parent

( SCIENCE / STEM NIGHT & PARENT TRAINING )

*Thousands of young people enjoy our programs each year!*

## SUPPORT US!

### - VOLUNTEER -

Do you want to share the wonders of science with kids? We have many rewarding opportunities for volunteers. A background in science or engineering helps, but isn't necessary, and the amount of time you offer is up to you. Here are a few options:

Science Presenter - Activity Leader - Curriculum Developer - Newsletter & Social Media Writer - Event Planning - Exhibit Design/Construction - Fundraising/Grant Writing - Website & Graphic Design - Photographer - Videographer

email us: [volunteer@coolscience.org](mailto:volunteer@coolscience.org)

### - BE A SPONSOR -

Join the impressive list of businesses and organizations that have sponsored Cool Science - a 501(c)(3) nonprofit.

Thanks to these generous contributors:

### - DONATE -

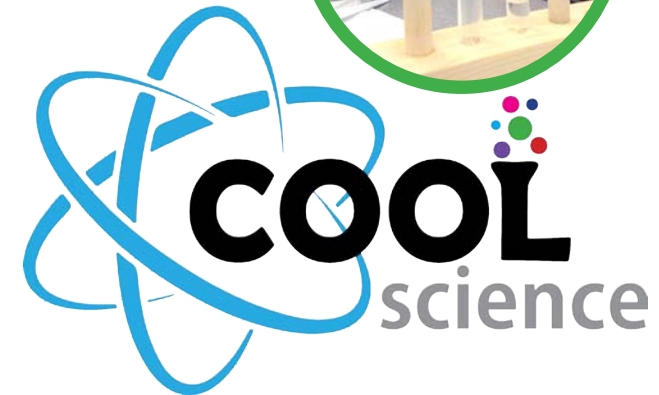

Help us reach even more young minds by making tax deductible donations at:
